### **NOTE Focus: Fade / Cross-Fade Image Transition**

#### **Objective**

**Design a modern and professional hero section for the homepage using smooth fade / cross-fade image transitions. The goal is to create a strong first impression that clearly communicates Coyzon's multi-industry recruitment expertise while maintaining clarity, performance, and user comfort.**

#### **Visual & Design Guidelines**

- **Use** high-quality, real-world images showing people actively at work.
- Apply soft fade or cross-fade transitions between images to create a premium, modern feel.
- Avoid harsh or distracting animations (no slide, zoom, or bounce effects).
- Maintain a clean, corporate, and trustworthy appearance suitable for a global recruitment agency.

#### **Recommended Industries to Rotate**

- **Agriculture – workers in the field / harvesting**
- **Construction – workers on site**
- **Logistics – drivers and warehouse staff**
- **Recruitment / HR – candidate screening and interviews**

#### **Expected Outcome**

**The homepage hero section should immediately convey that Coyzon is a professional, modern, and international recruitment agency, capable of serving multiple industries and markets.**

through matching organizations with verified, skilled, and committed candidates who add real value.

# **OUR SOLUTION**

Many companies struggle to find skilled and qualified candidates for their key positions, leading to delays and increased costs. This is where Coyzon Company Limited comes in. We help employers quickly and efficiently connect with the right talent, ensuring every candidate is thoroughly vetted, aligned with job requirements, and ready to contribute immediately. From job analysis to onboarding, we provide professional support at every step.

### **1. End-to-End Recruitment Solutions**

From job requirement analysis, sourcing, screening, hiring, onboarding, to post-hire follow-up.

### **2. Temporary & Contract Staffing**

Conducting initial interviews, aptitude tests, and reference checks before presenting candidates.

### 3. Payroll & HR Support

Managing salaries, benefits, and other HR matters for agency-deployed staff.

### 4. Training & Upskilling

Preparing candidates with training to ensure immediate contribution to the company.

### 5. Market & Salary Benchmarking

Advising on labor market trends, salary ranges, and talent competition

**NOTE** In this section, present the content using a unique, creative, and modern layout designed to attract attention and enhance visual engagement. The design should be distinctive, well-structured, and aesthetically appealing, ensuring a strong and memorable user experience.

## Our Recruitment Process

1. **Needs Assessment**- Understanding our role requirements and company culture.
2. **Candidate Sourcing** - Leveraging networks, job boards, and headhunting for specialized roles
3. **Screening & Verification** - Checking qualifications, references, and skills assessments.
4. **Interviews** - Organizing structured interviews and evaluations.
5. **Placement & Onboarding Support** - Presenting verified candidates, assisting in contract negotiations, and onboarding
6. **Post-Hire Follow-up** - Monitoring performance and ensuring a smooth transition.

**NOTE** For this section, I want it to be presented in a circular (cycle) layout, with each stage enclosed in a circle to visually represent the complete recruitment process. The design should be engaging, modern, and visually appealing, clearly illustrating the full hiring journey from start to finish.

## Industries We Serve
